ANY ROAD, ANY TIME

The Versys 650 is one of those models best understood by riding it. Designed for the discerning enthusiast, it offers a unique package comprising long-travel suspension & sporty 17" wheels, a slim, upright riding position and a compact Parallel-Twin engine tuned for low-mid range torque – a combination that results in a highly versatile package able to offer riders maximum riding excitement in a wide variety of street-riding situations.

KAWASAKI TEAM GREEN FEATURES:

- Reliable **649 cc Parallel Twin** that offers a powerful, easy to manage delivery, ideal for all levels of riders.
- The **4.3" TFT Colour Instrumentation with smartphone connectivity** gives the cockpit a high-tech, high-grade appearance.
- With **Slim, Upright Riding Position and wide handlebars** offers a naturally relaxed posture and high controllability.
- The **LED Lighting** adds symmetry to the Versys 650's 'face', creating a modern touch and contributes to its good looks.
- A **Long-Travel suspension and 17" Wheels** enables fun, sporty riding on a wide variety of roads and conditions.
- Stylish **windshield offers four available positions** ranging from sporty to maximum wind protection, to suit rider preference.
- Use of **KTRC - Kawasaki Traction Control** provides enhanced sports riding and peace of mind under certain conditions.
- The **Upper cowl inspired by the Versys 1000** brings the Versys 650 in line with the latest Versys family styling.
