BEST OF BOTH WORLDS

The Ninja 1000SX has character without compromise. Infused with the Ninja spirit craved by discerning solo sportbike riders, the Ninja 1000SX takes the concept further with SX sport touring versatility to share with a fellow traveler. From traction control to cruise control, the Ninja 1000SX has the tech for the ride.

KAWASAKI TEAM GREEN FEATURES:

- The **1,043 cc liquid-cooled, 4-stroke in-line four** that offers a superb response through the rev range.
- A distinct, head-turning look. **Sharp, edgy fairings**, and a single-sided muffler contribute sporty, dynamic styling.
- Equipped with **Bridgestone Battlax Hypersport S22 tyres** for a better riding experience.
- The 4.3" all-digital **TFT colour instrumentation** gives high-tech and high-grade appearance.
- Bluetooth connectivity- enhancing the riding experience using **Rideology The App**.
- Reducing stress on long distance riding, thanks to the **Kawasaki Cruise Control**.
- Offers both control and comfort, a relaxed riding position to accommodate everything from city riding to touring to sport riding.
- The **thick, wide rider and passenger seats** deliver a high level of comfort, facilitating long hours in the saddle.
- Three **Kawasaki traction control** modes covers a wide range of riding conditions.
